PREPA; and (iii) Title III Support for HTA. This Seventh Interim Fee Application concerns the first workstream, namely Commonwealth Title III Support.⁶

11. Consistent with how McKinsey Washington, the previous entity that provided services to the Oversight Board, serves clients and prices its engagements both for the public and private sectors, McKinsey Puerto Rico's fee structure under the Consulting Agreements for services related to Commonwealth Title III support was constructed on a monthly firm fixed price basis at the same rates as those charged by McKinsey Washington, as set forth below for the Compensation Period:

Period of Performance	Fee
February 2022	\$1,040,000.00
March 2022	\$1,040,000.00 ⁷

12. These monthly rates are similar to rates that McKinsey Washington charges for professional services rendered in comparable matters. Such fees are reasonable based on the customary compensation in a competitive market.
13. There is no agreement or understanding between McKinsey Puerto Rico and any other nonaffiliated person for the sharing of compensation to be received for services rendered in the Title III Cases.

⁶ McKinsey Puerto Rico will be serving separate Seventh Interim Fee Applications for compensation for services rendered pursuant to the other two (2) workstreams under the Consulting Agreements at the appropriate time.

⁷ The fixed fee for March 2022 was prorated from March 1, 2022 through March 15, 2022 in the amount of \$520,000.00.

EXHIBIT B

INDEPENDENT CONTRACTOR SERVICES AGREEMENT
McKinsey & Company Puerto Rico Consulting, Inc.

Title III Support

EFFECTIVE DATE: July 1, 2021

THIS INDEPENDENT CONTRACTOR SERVICES AGREEMENT (the “**Agreement**”) is made by and between **THE FINANCIAL OVERSIGHT AND MANAGEMENT BOARD FOR PUERTO RICO** (the “**Board**”) created by the Puerto Rico Oversight, Management, and Economic Stability Act, 48 U.S.C. chapter 20 (“**PROMESA**”), and McKinsey & Company Puerto Rico Consulting, Inc. (the “**Contractor**”). The Board and Contractor hereby agree as follows:

1. Engagement of Services. The Board may offer Project Assignments to Contractor in the form attached to this Agreement as *Exhibit A* (“*Project Assignment*”). Subject to the terms of this Agreement, Contractor will render the services set forth in Project Assignment(s) accepted by Contractor by the completion dates set forth therein.

2. Compensation. The Board will pay or will authorize payment to Contractor the fees set forth in each Project Assignment for services rendered pursuant to this Agreement. Contractor is responsible for all reasonable expenses incurred in the performance of services under this Agreement. Contractor will be reimbursed only for expenses which are expressly provided for in a Project Assignment or which have been approved in advance in writing by the Board. Contractor must furnish all documentation for authorized expenses the Board reasonably requests. Payment of Contractor’s fees and expenses will be in accordance with terms and conditions set forth in the applicable Project Assignment. Upon termination of this Agreement for any reason, Contractor will be paid fees on the basis stated in the Project Assignment(s) for work which has been completed.

3. Independent Contractor Relationship.

3.1 Contractor’s relationship with the Board is that of an independent contractor, and nothing in this Agreement is intended to, or should be construed to create a partnership, agency, joint venture or employment relationship. Contractor is not authorized to make any representation, contract or commitment on behalf of the Board unless specifically requested or authorized in writing to do so by the Board.

3.2 Contractor shall be responsible for exercising independent discretion and judgment to achieve the results specified in this Agreement and in any Project Assignments, and no member, officer, agent or employee of the Board shall have the authority to direct Contractor as to the manner or means employed to achieve such results.

3.3 Contractor shall be responsible for providing all tools and equipment necessary to perform services under this Agreement and any Project Assignments. Contractor shall bear all expenses associated with the provision of services under this Agreement and in any Project Assignments, except as otherwise agreed to pursuant to Section 2 of this Agreement.

3.4 Contractor will not be entitled to any of the benefits that the Board may make available to its employees, including, but not limited to, group health or life insurance, or retirement benefits.

3.5 Contractor is solely responsible for, and will file, on a timely basis, all tax returns and payments required to be filed with, or made to, any applicable tax authority with respect to the performance of services and receipt of fees under this Agreement.

3.6 Contractor's compensation may be subject to withholding by the Board for the payment of any applicable income taxes. In no event will the Contractor be entitled to a gross up from the Board to cover any taxes or withholdings to which the Contractor may be subject. The Board will furnish Contractor with evidence of any tax withheld by the Board.

3.7 Any employees or agents of Contractor shall be the sole responsibility of Contractor, and shall not be employees or agents of, or paid by, the Board. Neither the Contractor nor its employees or agents are entitled to invoke against the Board any of the laws or protections that may apply to employees of the United States government or the Commonwealth of Puerto Rico. Contractor shall have full liability for the acts of its employees and agents. Contractor shall bear all expenses associated with the employment of such individuals, and assume sole responsibility for compliance with applicable laws, rules, regulations and orders regarding Contractor's employees.

3.8 Contractor is responsible for properly and thoroughly completing the Contractor Certification Requirements set forth in **Appendix C** hereto and for following the Board Expense Reimbursement Policy, guidelines and reporting requirements set forth in **Appendix D** hereto, as such Appendixes and forms may from time to time be amended.

4. Nondisclosure.

4.1 Recognition of Board's Rights; Nondisclosure. Contractor understands and acknowledges that the Board has a protectable interest in its Confidential Information (defined below). At all times during the term of this Agreement and thereafter, Contractor will hold in strictest confidence and will not disclose, use, lecture upon or publish any of the Board's Confidential Information, except as such disclosure, use or publication (i) may be required in connection with Contractor's services for the Board or (ii) may be required by law, regulation, or legal process provided that Contractor provides reasonable advance notice to the Board, or unless the Board expressly authorizes such in writing. Contractor will obtain the Board's written approval before publishing or submitting for publication any material (written, verbal, or otherwise) that relates to Contractor's services for the Board and/or incorporates any Confidential Information. Contractor hereby assigns to the Board any rights Contractor may have or acquire in such Confidential Information and recognizes that all Confidential Information

shall be the sole property of the Board and its assigns. Contractor will take all reasonable precautions to prevent the inadvertent or accidental disclosure of Confidential Information.

4.2 Confidential Information. The term “**Confidential Information**” shall mean any and all confidential and/or proprietary knowledge, data or information of or used by the Board, whether having existed, now existing, or to be developed during the term of this Agreement. By way of illustration but not limitation, “**Confidential Information**” includes (a) trade secrets, inventions, mask works, ideas, processes, formulas, source and object codes, data, programs, other works of authorship, know-how, improvements, discoveries, developments, designs and techniques and any other proprietary technology and all Proprietary Rights therein (hereinafter collectively referred to as “**Inventions**”); (b) information regarding research, analysis, development, business plans, budgets and unpublished financial statements, licenses, prices and costs, margins, credit terms, forecasts, future plans and potential strategies, financial projections and business strategies, operational plans, financing and capital-raising plans, activities and agreements, internal services and operational manuals, methods of conducting Board business, suppliers and supplier information, and purchasing; (c) information regarding any of the Board’s contractors, or representatives and their services, including names, representatives, proposals, bids, contracts and their contents and parties, the type and quantity of products and services received by the Board, and other non-public information relating to Board contractors, or representatives; and (d) information regarding personnel, employee lists, compensation, and employee skills. Notwithstanding the foregoing, it is understood that, at all such times, Contractor is free to use information which is generally known publicly or in the trade or industry through no breach of this Agreement or other act or omission by Contractor.

4.3 Third Party Information. Contractor understands, in addition, that the Board has received and in the future, will receive from third parties, including the Commonwealth of Puerto Rico, confidential and/or proprietary knowledge, data, or information (“**Third Party Information**”) subject to a duty on the Board’s part to maintain the confidentiality of such information and to use it only for certain limited purposes. During the term of this Agreement and thereafter, Contractor will hold any Third Party Information disclosed by the Board or obtained in connection with its work in the strictest confidence and will not disclose to anyone (other than Board members and personnel who need to know such information in connection with their work for the Board) or use, except in connection with Contractor’s services for the Board, Third Party Information unless expressly authorized by the Executive Director or a member of the Board in writing. Contractor shall comply with all applicable laws, rules, and regulations concerning confidentiality.

4.4 Term of Nondisclosure Restrictions. Contractor understands that Confidential Information and Third-Party Information is never to be used or disclosed by Contractor, as provided in this Section 4. If, however, a court decides that this Section 4 or any of its provisions is unenforceable for lack of reasonable temporal limitation and the Agreement or its restriction(s) cannot otherwise be enforced, Contractor and the Board agree that the two (2) year period after the termination of this Agreement shall be the temporal limitation relevant to the contested restriction, provided, however, that this sentence shall not apply to trade secrets protected without temporal limitation under applicable law.

4.5 No Improper Use of Information. During the term of this Agreement, Contractor will not improperly use or disclose any Confidential Information of any person or entity to whom Contractor has an obligation of confidentiality, and Contractor will not bring onto the premises of the Board any documents or any property belonging to any person or entity to whom Contractor has an obligation of confidentiality unless consented to in writing by that person or entity. During Contractor's engagement as an independent contractor performing services for the Board, Contractor may also have access to "Inside" or non-public information about one or more companies associated with the Board's work. Use of "Inside," Confidential Information or Third-Party Information in making any investment is absolutely prohibited, and Contractor represents and warrants that Contractor will comply with all applicable securities laws and regulations.

4.6 Disclosure of Contractor Materials; Publicity. The Board understands and acknowledges that Contractor's work for the Board is confidential and for the Board's internal use only; provided, however, that the Board may disclose such work to the extent such disclosure is necessary or desirable to carry out the Board's statutory duties or in response to a legal proceeding. Except as provided in the preceding sentence, the Board agrees that it will not disclose Contractor's name in relation to any disclosure of work hereunder without Contractor's consent. Contractor will not disclose the Deliverables to any third parties without the Board's prior written permission or as may be required by law, regulation, or legal process. Contractor further agrees not to use the Board's name in any communication with any third party without the Board's prior written permission, including in press releases or other public announcements. If the Board receives a public records request for Deliverables or other documents containing Contractor information, the Board will allow Contractor the ability to review the documents prior to disclosure to advise if the documents contain information subject to any exception or exemption to the relevant public records laws.

5. Records. To the extent that Contractor is required to develop, review and/or analyze Confidential Information or Third-Party Information, Contractor further shall store and maintain all Confidential Information in a secure place. Such material shall at all times remain the exclusive property of the Board and/or the applicable third party, unless otherwise agreed to in writing by a Board member or the Board's Executive Director.

6. Return of Board Property. On the earlier of termination of this Agreement or a request by the Board's Executive Director, Contractor shall return to the Board all the Board property which Contractor obtained from the Board or created in the course of any Project Assignment (except that Contractor may keep one copy of all such materials it has prepared), including any Confidential Information and Third-Party Information. Contractor acknowledges that all such property shall at all times remain the exclusive property of the Board, unless otherwise agreed to in writing by a Board member or the Board's Executive Director.

7. No Conflict of Interest.

7.1 Upon Signing of Agreement and Semi-Annually Thereafter. At the execution of this Agreement, Contractor, on behalf of itself, its Material Affiliates¹ and its direct and indirect subsidiaries shall make the Contractor Conflict of Interest Certifications set forth in Appendix B hereto² and shall thereafter make similar Contractor Conflict of Interest Certifications periodically as of every July 1st and January 1st of each year of service under this Agreement and any related Project Assignments. In the event Contractor or any of its affiliates publicly files a Securities and Exchange Form ADV or Department of Labor Form 5500, Contractor shall share such filings with the Board on or around the time of each such filing. Finally, it is of paramount importance to the Board that Contractor and its affiliates other than MIO Partners Inc. (“MIO”)³ disclose to the Board any of their direct or indirect investments in Puerto Rico public debt instruments of any kind including such instruments issued by any Interested Party⁴ that is a Puerto Rico governmental instrumentality. While such investments may not always constitute a potential or actual conflict of interest, the Board requires such disclosure to ascertain whether or not such an investment by the Contractor or its affiliates (other than MIO) could represent a conflict of interest and/or require other action or remediation.

In addition to such disclosures, Contractor shall also make disclosures regarding any information barrier relating to MIO, that establish, to the satisfaction of the Board, that the employees of Contractor and its affiliates other than MIO do not have knowledge of,⁵ or control over, the investment activity of MIO. Upon the execution of this Agreement, Contractor will identify and provide to the Board a list of all of MIO’s direct connections to any Interested Party in the PROMESA proceedings based upon a search of (i) the names of MIO’s third-party managers; (ii) the names of third-party funds in which MIO-controlled vehicles have made investments; (iii) securities or other instrument-level investments made at the discretion of MIO; (iv) financial counterparties of MIO or MIO-controlled vehicles; and (v) the names of service

¹ For purposes of this Agreement, Material Affiliates shall constitute any affiliate of McKinsey that has lent a consultant to the Contractor’s Service Team. The Contractor’s Service Team is comprised of the consultants that directly provide the services for which the Board has retained Contractor. The search performed by Contractor in order to prepare the Contractor Conflict of Interest Certifications and related disclosures involves a search of (i) each client engagement where time was charged by a consulting professional belonging to Contractor or a Material Affiliate, (ii) each client engagement opened for which the project office (i.e., the project GOC code) is a part of Contractor or a Material Affiliate, and (iii) ordinary course vendor and banking relationships of Contractor or a Material Affiliate, in each case, for any matches with any Interested Party as defined below.

² The Certifications shall contain disclosures typically made by McKinsey pursuant to the Baker Protocol and additional information requested by the Board under this Agreement.

³ Disclosures relating to MIO shall be as indicated in the paragraph below.

⁴ Interested Party is defined as any entity appearing on the most updated version of Schedule A to this Agreement, as provided by the Board to Contractor.

⁵ Beyond publicly available information and the other types of information identified in the Final Investigative Report of the Special Counsel to the Financial Oversight and Management Board for Puerto Rico, *In re The Fin. Oversight & Mgmt. Board for Puerto Rico*, No. 17-03283 (LTS) (D.P.R. Feb. 18, 2019), Dkt. 5154.

providers/vendors to MIO. It is acknowledged that this search will not identify (i) security or instrument-level investments made by third-party managed funds in which MIO-controlled vehicles have made investments and over which MIO has no investment discretion; or (ii) security or instrument-level investments made by third-party managers retained by MIO to exercise sole investment discretion over a separately managed account inside of an MIO-controlled vehicle. For the purposes of this Agreement, the Board shall assume that such security or instrument-level holdings exist. In addition, in the event Contractor or any of its affiliates publicly files a Securities and Exchange Form ADV or Department of Labor Form 5500, Contractor shall identify for the Board, at or around the time of each such filing, any Interested Party identified in those filings, if such connection has not already been disclosed in connection with McKinsey's Contractor Conflict of Interest Certifications. Further, as of the effective date of the Agreement, Contractor represents that neither MIO nor any MIO-controlled vehicle holds an interest in Puerto Rico debt instruments of any kind that were obtained directly by MIO through the exercise of its own investment discretion, and that MIO currently maintains a policy (and will maintain a policy during the term of this Agreement) that prohibits MIO from exercising its investment discretion to obtain a direct interest in municipal debt instruments, which includes Puerto Rico debt instruments. Contractor further represents that, as of the effective date of the Agreement, MIO does not pursue as an investment strategy for any MIO-controlled vehicle making investments with third-party managers or third-party funds for the purpose of obtaining or increasing exposure specifically to Puerto Rico debt instruments. For the avoidance of doubt, MIO retains full discretion to make any investment it deems to be in the best interest of the funds and plans that it manages, subject to the foregoing policy.

7.2 During the Term of this Agreement. During the term of this Agreement, Contractor shall not (and shall cause its Material Affiliates and its direct and indirect subsidiaries not to) accept work from, enter into a contract with, or accept an obligation from any existing or future potential clients that may hold material claims or are otherwise participating in proceedings under PROMESA involving the Commonwealth of Puerto Rico or any of its covered instrumentalities, where such contract or obligation would be inconsistent or incompatible with Contractor's obligations or the scope of services rendered for the Board under this Agreement or any Project Assignment, and in no event shall Contractor's Service Team provide services for any such existing or future potential clients. Upon receipt of Contractor's periodic Contractor Conflict of Interest Certifications, the Board may request, and Contractor shall provide, information reasonably necessary to determine whether Contractor has any relationship that would be inconsistent or incompatible with Contractor's obligations or the scope of services rendered for the Board. Contractor shall not (and shall cause each of its Material Affiliates and its direct and indirect subsidiaries not to) take actions during the term of this Agreement or any Project Assignment that would constitute or could create the appearance of a conflict of interest with the Board's mission or the work performed by the Contractor for the Board. Contractor, on behalf of itself and its Material Affiliates and its direct and indirect subsidiaries, represents that Contractor's performance of all the terms of this Agreement and any accepted Project Assignment does not and will not breach any agreement or obligation of any kind made prior to the execution of this Agreement, including any noncompete agreement or any agreement to keep in confidence information acquired by Contractor in confidence or in trust. Contractor, on behalf of itself and its Material Affiliates and its direct and indirect subsidiaries, represents that none of them have entered into, and shall not enter into, any agreement either written or oral in conflict herewith. During the term of this Agreement and all related Project

Assignments, Contractor shall inform the Board, in a proactive manner and as soon as Contractor becomes aware of it, of any new or ongoing actual or potential conflict of interest or any appearance thereof that Contractor (or any of its Material Affiliates and its direct and indirect subsidiaries) encounters in the ordinary course of its work.

7.3 Indemnification. Contractor shall indemnify the Board from any and all loss or liability incurred by reason of the alleged breach by Contractor of any services agreement with any third party. Contractor, after the termination of this Agreement, shall not provide services on the matters on which Contractor was engaged to others having interests adverse to the Board's interests as described in 7.2 above.

7.4 Other. From time to time, the Board may request that the Contractor explain in detail what its conflict of interest policy and conflict mitigation procedures are and it shall be the responsibility of Contractor to explain in appropriate and relevant detail to the Board why something that may appear to be a conflict of interest is not an actual or potential conflict of interest or appearance of a conflict of interest. The Board will be the final arbiter of whether a particular set of facts presents a Contractor conflict of interest. Simultaneously with the certifications it makes under Sections 7.1 and 7.2 hereunder, Contractor shall furnish the Board with a list of its Material Affiliates with a brief description of each affiliation.

8. Compliance with Laws, Regulations, and Contractor Code of Conduct. While providing services for the Board, Contractor shall comply with all applicable laws, rules and regulations, as well as all applicable Board policies and rules, including without limitation the Board's Contractor Code of Conduct and its disclosure certification. A copy of the Contractor Code of Conduct and its Contractor Code of Conduct Disclosure Certification is attached as *Appendix A* hereto.

9. Term and Termination.

9.1 Term. Unless earlier terminated as provided in this Agreement or by mutual written agreement of the parties, this Agreement shall expire on June 30, 2022. The parties may renew the Agreement for an additional time period by mutual, written agreement prior to the expiration of the term.

9.2 Termination by Board. The Board may terminate this Agreement or any Project Assignment upon the earlier of (i) thirty (30) days written notice or (ii) Contractor's material breach of either Section 4 ("Nondisclosure") or section 10 ("Noninterference with Business") of this Agreement. Termination shall neither eliminate accrued amounts owing to Contractor nor any amounts owing to the Board due to Contractor's breach.

9.3 Termination by Contractor. Contractor may terminate this Agreement or any Project Assignment upon thirty (30) days written notice in the event of a material breach by the Board of this Agreement or any Project Assignment.

9.4 Survival. The rights and obligations contained in Sections 4 ("Non-Disclosure") of this Agreement and 10 ("Noninterference with Business") shall survive the termination or expiration of this Agreement regardless of the reason, and the assignment of this Agreement by the Board to any successor in interest or other assignee.

10. Noninterference with Business. During this Agreement, and for a period of two (2) years immediately following its termination, Contractor shall not interfere with the business or activities of the Board in any manner. By way of example and not of limitation, no member of Contractor's Service Team shall:

10.1 solicit, induce, encourage, or participate in soliciting, inducing, or encouraging any employee of the Board to terminate his or her relationship with the Board;

10.2 hire, or employ, or attempt to hire or employ any person employed by the Board or who has left the employment of the Board within the preceding six (6) months or discuss any potential employment or business association with such person, even if Contractor does not initiate the discussion or seek out the contact;

10.3 solicit, induce or attempt to induce any consultant or independent contractor with whom Contractor had direct or indirect contact or whose identity Contractor learned as a result of Contractor's engagement with the Board, to terminate, diminish, or materially alter in a manner harmful to the Board its relationship with the Board; or

10.4 for two years after the termination of this Agreement, represent or provide assistance pertaining directly to matters on which Contractor was engaged hereunder to any other entity or person having interests adverse to the Board's interests.

11. Successors and Assigns. Contractor may not subcontract or otherwise delegate its obligations under this Agreement without the prior written consent of the Executive Director of the Board. Subject to the foregoing, this Agreement will be for the benefit of the Board's successors and assigns and will be binding on Contractor's assignees. Notwithstanding the foregoing, nothing in this Agreement shall prevent Contractor from utilizing Contractor's employees to perform services under the Agreement or any Project Assignment.

12. Indemnification. Contractor shall indemnify and hold harmless the Board and its members, officers, directors and employees from (a) all taxes, penalties and interest the Board may be required to pay as a result of Contractor or any of Contractor's personnel being deemed an employee of the Board; (b) any other tax liability or payments related to or resulting from this Agreement or the services rendered by Contractor for the Board; (c) any claims, losses, actions (including attorney's fees) or liability resulting from or related to any negligent action taken or omitted by Contractor or any of its personnel. In no event will either party be liable to each other for any consequential, indirect, exemplary, special or incidental damages arising from or relating to this Agreement. Each party's total cumulative liability to the other party in connection with this Agreement, whether in contract or tort or otherwise, will not exceed the aggregate amount of three [3] times fees and expenses owed by the Board to Contractor for services performed under this Agreement.

13. Non-Disparagement. Contractor will not, during the term of the Agreement, and for two (2) years thereafter, disparage the Board, its members, officers, or employees. Contractor shall indemnify and hold the Board, its members, officers, directors, and shareholders harmless from and against any and all losses, claims, damages, or expenses, (including attorneys' and

experts' fees) arising from or growing out of any disparaging statement made by Contractor in violation of this Section 13.

14. Reasonableness of Restrictions.

14.1 Contractor has read this entire Agreement and understands it. Contractor acknowledges the restrictions contained in this Agreement are reasonable, proper, and necessitated by the Board's legitimate business interests.

14.2 In the event that a court finds this Agreement, or any of its restrictions, to be ambiguous, unenforceable, or invalid, Contractor and the Board agree that this Agreement will be automatically modified to provide the Board with the maximum protection of its business interests allowed by law and Contractor shall be bound by this Agreement as modified.

15. Legal and Equitable Remedies.

15.1 Contractor acknowledges it may be impossible to assess the damages caused by Contractor's violation of Sections 4 ("Non-Disclosure") and 10 ("Noninterference with Business") of this Agreement. Any threatened or actual violation of such Sections of this Agreement will constitute immediate and irreparable injury to the Board and the Board shall have the right to enforce those Sections of this Agreement by injunction, specific performance or other equitable relief, without bond and without prejudice to any other rights and remedies that the Board may have for a breach or threatened breach of those Sections or any other Section of this Agreement.

15.2 If the Board is successful in whole or in part in any legal or equitable action against Contractor under this Agreement, the Board shall be entitled to payment of all costs, including reasonable attorneys' fees, from Contractor.

15.3 In the event the Board enforces this Agreement through a court order, the restrictions of Section 10 shall remain in effect for a period of twelve (12) months from the effective date of the Order enforcing the Agreement.

16. Notices. Any notices required or permitted hereunder shall be given to the Board at its primary office location, at Contractor's address as listed below, or at such other address as the party shall specify in writing. Such notice shall be deemed given upon personal delivery to the appropriate address or three (3) days after the date of mailing if sent by certified or registered mail.

17. Governing Law; Consent to Personal Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by the laws of the Commonwealth of Puerto Rico independent of its choice of law principles. This Agreement is not a United States government contract or contract of the Commonwealth of Puerto Rico. Consequently, United States and Commonwealth contracting and contract protest laws do not apply to this Agreement. Any action against the Board shall be brought in accordance with PROMESA § 106. Contractor hereby expressly consents to the personal jurisdiction and venue of the federal court in Puerto Rico. The Board and Contractor each waive all rights to jury trial under Commonwealth of Puerto Rico law and federal law.

18. Severability. In case any one or more of the provisions, subsections, or sentences contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. Moreover, if any one or more of the provisions contained in this Agreement shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject, it shall be construed by limiting and reducing it, so as to be enforceable to the extent compatible with the applicable law as it shall then appear.

19. Waiver. No waiver by the Board of any breach of this Agreement shall be a waiver of any preceding or succeeding breach. No waiver by the Board of any right under this Agreement shall be construed as a waiver of any other right. The Board shall not be required to give notice to enforce strict adherence to all terms of this Agreement. Nothing herein waives any exemption from liability or other rights of the Board under PROMESA.

20. Entire Agreement. This Agreement is the final, complete and exclusive agreement of the parties with respect to the subject matter hereof and supersedes and merges all prior discussions between the parties. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, will be effective unless in writing and signed by the party to be charged.

Even a well-intentioned gift might constitute or be perceived to be a bribe under certain circumstances or create a conflict of interest or the appearance of a conflict of interest. [FOMB EXPENSE REIMBURSEMENT]

Financial Oversight and Management Board for Puerto Rico

June 30, 2017

Expense Reimbursement Policy

1. Introduction

The Board of Members of the Financial Oversight and Management Board for Puerto Rico (“the Board”) recognizes that board members, officers, staff, and contractors* of the Board may be required to travel or incur in other expenses from time to time to conduct Board business.

The Reimbursed Expenses Policy (the “Policy”) is designed to govern the reimbursement of reasonable, defined expenses incurred on authorized Board activities. Consequently, all reimbursed expenses must be consistent with a business objective and carried out in a timely and cost-effective manner.

This Policy applies to board members, officers, staff, and contractors* who incur authorized and approved travel and other expense items in the context of the Board’s business. While exceptions are not normally permitted, there is clear recognition of certain special business needs. In any such exceptional situations, all board members, officers, staff, and contractors* are expected to apply a high degree of common sense and good judgment.

2. Purpose of the Policy

The purpose of this policy is to ensure that (a) adequate cost controls are in place, (b) travel and other expenditures are appropriate, and (c) to provide a uniform and consistent approach for the timely reimbursement of authorized expenses incurred by the Board. It is the policy of the Board to reimburse only reasonable and necessary expenses incurred by board members, officers, staff, and contractors.

3. Principles of the Policy

The Policy aims to provide a flexible framework for travel and other expenses based on the following principles:

- 3.1** This Policy applies to board members, officers, staff, and contractors* undertaking travel other expenses on Board business and for the purposes of this Policy, the term “staff” shall mean employees of the Board.

- 3.2 It is the responsibility of board members, officers, staff, and contractors* to ensure the selection of the most direct and economical travel options and that all expenses are attributable to a valid Board business purpose.
- 3.3 Board members, officers, staff, and contractors* shall be entitled to reimbursement of expenses on production of supporting vouchers and invoices meeting the requirements of an "Accountable Plan" provided under Regulation No. 8297 dated December 18, 2012 issued by the Puerto Rico Department of Treasury. No expense reimbursement will be allowed for amounts in excess of actual expenditures incurred. No expense reimbursement will be allowed for estimates of expenditures incurred. This includes coach-class airfare or train fare (or business class train fare if rates are comparable); and hotels and transportation (e.g. taxis).
- 3.4 It is the responsibility of the Board members, officers, staff, and contractors* to obtain travel authorization from the Chairman of the Board, the Executive Director or Authorized Representative prior to organizing or incurring any travel costs [See Appendix A for Authorization Authority]. Expense reimbursement is subject to having received prior authorization. Exceptions shall be made under the consideration of the Chairman, Executive Director or Authorized Representative.
- 3.5 The use of video and telephone conferencing instead of travel should always be considered to reduce travel expenses.

4. Travel Expenses

4.1 Air Travel

- 4.1.1 Costs for air travel will be reimbursed on an actual cost incurred basis.
- 4.1.2 For all flights, board members, officers, staff, and contractors* are required to travel in a cabin class no higher than premium economy class and, when possible, the cheapest fare in this class.
- 4.1.3 Flights should be booked to provide the best value/lowest cost and fit between cost and convenience. Board staff shall book flights through the Board's Executive Assistant. Board members may book flights through the Board's Executive Assistant or independently. Board contractors must book flights independently, though they are allowed to consult the Board's Executive Assistant on fares the board members, officers, and staff are using.
- 4.1.4 The Board will not reimburse costs incurred due to deviations from the most direct routes taken for personal travel reasons. In such cases, if the Board purchased the ticket, the traveler must reimburse the Board for any additional costs over and above the authorized travel.

- 4.1.5** Any alteration to original travel plans must be justified and approved in accordance with the Policy.

4.2 Train Travel

- 4.2.1** The Board may reimburse travelers for their economy train fares or business class train fares when those fares are comparable to the equivalent, economy class airfare on the same route.
- 4.2.2** Board staff shall book trains through the Board's Executive Assistant. Board Members may book trains through the Board's Executive Assistant or independently. Board contractors must book trains independently, though they are allowed to consult the Board's Executive Assistant on fares the board members, officers, and staff are using.

4.3 Hotels and Lodging

- 4.3.1** Accommodation costs may be reimbursed by the Board. Board members, officers, staff, and contractors should not exceed cost of accommodation per night published in the U.S. Government GSA Per Diem Rates (<https://www.gsa.gov/perdiem>), unless approved by the Chairman or his authorized representative.
- 4.3.2** Board staff shall book hotels through the Board's Executive Assistant. Board members may book hotels through the Board's Executive Assistant or independently. Board contractors must book hotels independently, though they are allowed to consult the Board's Executive Assistant on fares the Board members, officers, and staff are using.

4.4 Transportation

- 4.4.1** Transportation costs during trips associated to Board business will be reimbursed. Board members, officers, and staff* can expense the following transportation costs: 1) transportation to and from the airport / train station and 2) transportation to and from the meeting location. Transportation costs cover taxi services or equivalent (e.g. Uber, Lyft or any other transportation means).

4.5 Business Meals

- 4.5.1** When travelling to a location other than the Board members, officers, staff, and contractors'* local city, business meals are reimbursable based on the following limits:
- Breakfast: \$15; Lunch: \$25; Dinner: \$40
 - Snack expenses are reimbursable when they replace a meal.

- 4.5.2** If meals are provided during the meeting, only meals not provided can be expensed.

5. Other Expenses

5.1 Other expenses are reimbursable provided they are legitimate, necessary and reasonable expenses directly connected with or pertaining to the Board, such as office supplies, printing and reproduction, telephone calls, and messengers, among other.

6. Reimbursement of Expense

6.1 Travel arrangements are authorized in advance through the completion and approval of a travel authorization email and the validation of a travel plan between the traveler and the designated approver [See Appendix A].

6.2 Expenses are reimbursed through the completion, approval, and validation of expense report [See Appendix B] that the members, officers, and staff must submit to the designated approver [See Appendix C].

6.3 Expense claims should be submitted immediately following and, where possible, no more than 10 days after the completion of each trip, but at least a monthly.

6.4 In rare circumstances, and on an exceptional basis, reimbursement in excess of stated limits may be provided when lodging options are not available below. In such rare circumstances, the need for higher reimbursement shall be indicated on the attached reimbursement form and justified in writing by the members, officers, and staff. Reimbursement will be limited to the following:

- Lodging: average rate for available 3-star hotels listed for the applicable metropolitan area on Expedia;

The Chairman of the Board or his authorized representative will have sole discretion to approve or deny such expenditures.

6.5 Receipts are required for all expenditures billed, such as airfare and hotel charges. No expense in excess of \$25.00 will be reimbursed to Board members, officers, staff and contractors unless the individual requesting reimbursement submits with the Expense Report written itemized receipts from each contractor (not a credit card receipt or statement) showing the contractor's name, a description of the services provided (if not otherwise obvious), the date, and the total expenses. If a receipt is not available, a full explanation of the expense and the reason for the missing receipt is required.

6.6 Alcoholic beverages will not be reimbursed under any circumstance.

Consulting Agreement

INDEPENDENT CONTRACTOR SERVICES AGREEMENT
McKinsey & Company Puerto Rico Consulting, Inc.

Title III Support

EFFECTIVE DATE: July 1, 2021

THIS INDEPENDENT CONTRACTOR SERVICES AGREEMENT (the “**Agreement**”) is made by and between **THE FINANCIAL OVERSIGHT AND MANAGEMENT BOARD FOR PUERTO RICO** (the “**Board**”) created by the Puerto Rico Oversight, Management, and Economic Stability Act, 48 U.S.C. chapter 20 (“**PROMESA**”), and McKinsey & Company Puerto Rico Consulting, Inc. (the “**Contractor**”). The Board and Contractor hereby agree as follows:

1. Engagement of Services. The Board may offer Project Assignments to Contractor in the form attached to this Agreement as ***Exhibit A*** (“**Project Assignment**”). Subject to the terms of this Agreement, Contractor will render the services set forth in Project Assignment(s) accepted by Contractor by the completion dates set forth therein.

2. Compensation. The Board will pay or will authorize payment to Contractor the fees set forth in each Project Assignment for services rendered pursuant to this Agreement. Contractor is responsible for all reasonable expenses incurred in the performance of services under this Agreement. Contractor will be reimbursed only for expenses which are expressly provided for in a Project Assignment or which have been approved in advance in writing by the Board. Contractor must furnish all documentation for authorized expenses the Board reasonably requests. Payment of Contractor’s fees and expenses will be in accordance with terms and conditions set forth in the applicable Project Assignment. Upon termination of this Agreement for any reason, Contractor will be paid fees on the basis stated in the Project Assignment(s) for work which has been completed.

3. Independent Contractor Relationship.

3.1 Contractor’s relationship with the Board is that of an independent contractor, and nothing in this Agreement is intended to, or should be construed to create a partnership, agency, joint venture or employment relationship. Contractor is not authorized to make any representation, contract or commitment on behalf of the Board unless specifically requested or authorized in writing to do so by the Board.

3.2 Contractor shall be responsible for exercising independent discretion and judgment to achieve the results specified in this Agreement and in any Project Assignments, and no member, officer, agent or employee of the Board shall have the authority to direct Contractor as to the manner or means employed to achieve such results.

3.3 Contractor shall be responsible for providing all tools and equipment necessary to perform services under this Agreement and any Project Assignments. Contractor shall bear all expenses associated with the provision of services under this Agreement and in any Project Assignments, except as otherwise agreed to pursuant to Section 2 of this Agreement.

3.4 Contractor will not be entitled to any of the benefits that the Board may make available to its employees, including, but not limited to, group health or life insurance, or retirement benefits.

3.5 Contractor is solely responsible for, and will file, on a timely basis, all tax returns and payments required to be filed with, or made to, any applicable tax authority with respect to the performance of services and receipt of fees under this Agreement.

3.6 Contractor's compensation may be subject to withholding by the Board for the payment of any applicable income taxes. In no event will the Contractor be entitled to a gross up from the Board to cover any taxes or withholdings to which the Contractor may be subject. The Board will furnish Contractor with evidence of any tax withheld by the Board.

3.7 Any employees or agents of Contractor shall be the sole responsibility of Contractor, and shall not be employees or agents of, or paid by, the Board. Neither the Contractor nor its employees or agents are entitled to invoke against the Board any of the laws or protections that may apply to employees of the United States government or the Commonwealth of Puerto Rico. Contractor shall have full liability for the acts of its employees and agents. Contractor shall bear all expenses associated with the employment of such individuals, and assume sole responsibility for compliance with applicable laws, rules, regulations and orders regarding Contractor's employees.

3.8 Contractor is responsible for properly and thoroughly completing the Contractor Certification Requirements set forth in **Appendix C** hereto and for following the Board Expense Reimbursement Policy, guidelines and reporting requirements set forth in **Appendix D** hereto, as such Appendixes and forms may from time to time be amended.

4. Nondisclosure.

4.1 Recognition of Board's Rights; Nondisclosure. Contractor understands and acknowledges that the Board has a protectable interest in its Confidential Information (defined below). At all times during the term of this Agreement and thereafter, Contractor will hold in strictest confidence and will not disclose, use, lecture upon or publish any of the Board's Confidential Information, except as such disclosure, use or publication (i) may be required in connection with Contractor's services for the Board or (ii) may be required by law, regulation, or legal process provided that Contractor provides reasonable advance notice to the Board, or unless the Board expressly authorizes such in writing. Contractor will obtain the Board's written approval before publishing or submitting for publication any material (written, verbal, or otherwise) that relates to Contractor's services for the Board and/or incorporates any Confidential Information. Contractor hereby assigns to the Board any rights Contractor may have or acquire in such Confidential Information and recognizes that all Confidential Information

shall be the sole property of the Board and its assigns. Contractor will take all reasonable precautions to prevent the inadvertent or accidental disclosure of Confidential Information.

4.2 Confidential Information. The term “**Confidential Information**” shall mean any and all confidential and/or proprietary knowledge, data or information of or used by the Board, whether having existed, now existing, or to be developed during the term of this Agreement. By way of illustration but not limitation, “**Confidential Information**” includes (a) trade secrets, inventions, mask works, ideas, processes, formulas, source and object codes, data, programs, other works of authorship, know-how, improvements, discoveries, developments, designs and techniques and any other proprietary technology and all Proprietary Rights therein (hereinafter collectively referred to as “**Inventions**”); (b) information regarding research, analysis, development, business plans, budgets and unpublished financial statements, licenses, prices and costs, margins, credit terms, forecasts, future plans and potential strategies, financial projections and business strategies, operational plans, financing and capital-raising plans, activities and agreements, internal services and operational manuals, methods of conducting Board business, suppliers and supplier information, and purchasing; (c) information regarding any of the Board’s contractors, or representatives and their services, including names, representatives, proposals, bids, contracts and their contents and parties, the type and quantity of products and services received by the Board, and other non-public information relating to Board contractors, or representatives; and (d) information regarding personnel, employee lists, compensation, and employee skills. Notwithstanding the foregoing, it is understood that, at all such times, Contractor is free to use information which is generally known publicly or in the trade or industry through no breach of this Agreement or other act or omission by Contractor.

4.3 Third Party Information. Contractor understands, in addition, that the Board has received and in the future, will receive from third parties, including the Commonwealth of Puerto Rico, confidential and/or proprietary knowledge, data, or information (“**Third Party Information**”) subject to a duty on the Board’s part to maintain the confidentiality of such information and to use it only for certain limited purposes. During the term of this Agreement and thereafter, Contractor will hold any Third Party Information disclosed by the Board or obtained in connection with its work in the strictest confidence and will not disclose to anyone (other than Board members and personnel who need to know such information in connection with their work for the Board) or use, except in connection with Contractor’s services for the Board, Third Party Information unless expressly authorized by the Executive Director or a member of the Board in writing. Contractor shall comply with all applicable laws, rules, and regulations concerning confidentiality.

4.4 Term of Nondisclosure Restrictions. Contractor understands that Confidential Information and Third-Party Information is never to be used or disclosed by Contractor, as provided in this Section 4. If, however, a court decides that this Section 4 or any of its provisions is unenforceable for lack of reasonable temporal limitation and the Agreement or its restriction(s) cannot otherwise be enforced, Contractor and the Board agree that the two (2) year period after the termination of this Agreement shall be the temporal limitation relevant to the contested restriction, provided, however, that this sentence shall not apply to trade secrets protected without temporal limitation under applicable law.

4.5 No Improper Use of Information. During the term of this Agreement, Contractor will not improperly use or disclose any Confidential Information of any person or entity to whom Contractor has an obligation of confidentiality, and Contractor will not bring onto the premises of the Board any documents or any property belonging to any person or entity to whom Contractor has an obligation of confidentiality unless consented to in writing by that person or entity. During Contractor's engagement as an independent contractor performing services for the Board, Contractor may also have access to "Inside" or non-public information about one or more companies associated with the Board's work. Use of "Inside," Confidential Information or Third-Party Information in making any investment is absolutely prohibited, and Contractor represents and warrants that Contractor will comply with all applicable securities laws and regulations.

4.6 Disclosure of Contractor Materials; Publicity. The Board understands and acknowledges that Contractor's work for the Board is confidential and for the Board's internal use only; provided, however, that the Board may disclose such work to the extent such disclosure is necessary or desirable to carry out the Board's statutory duties or in response to a legal proceeding. Except as provided in the preceding sentence, the Board agrees that it will not disclose Contractor's name in relation to any disclosure of work hereunder without Contractor's consent. Contractor will not disclose the Deliverables to any third parties without the Board's prior written permission or as may be required by law, regulation, or legal process. Contractor further agrees not to use the Board's name in any communication with any third party without the Board's prior written permission, including in press releases or other public announcements. If the Board receives a public records request for Deliverables or other documents containing Contractor information, the Board will allow Contractor the ability to review the documents prior to disclosure to advise if the documents contain information subject to any exception or exemption to the relevant public records laws.

5. Records. To the extent that Contractor is required to develop, review and/or analyze Confidential Information or Third-Party Information, Contractor further shall store and maintain all Confidential Information in a secure place. Such material shall at all times remain the exclusive property of the Board and/or the applicable third party, unless otherwise agreed to in writing by a Board member or the Board's Executive Director.

6. Return of Board Property. On the earlier of termination of this Agreement or a request by the Board's Executive Director, Contractor shall return to the Board all the Board property which Contractor obtained from the Board or created in the course of any Project Assignment (except that Contractor may keep one copy of all such materials it has prepared), including any Confidential Information and Third-Party Information. Contractor acknowledges that all such property shall at all times remain the exclusive property of the Board, unless otherwise agreed to in writing by a Board member or the Board's Executive Director.

7. No Conflict of Interest.

7.1 Upon Signing of Agreement and Semi-Annually Thereafter. At the execution of this Agreement, Contractor, on behalf of itself, its Material Affiliates¹ and its direct and indirect subsidiaries shall make the Contractor Conflict of Interest Certifications set forth in Appendix B hereto² and shall thereafter make similar Contractor Conflict of Interest Certifications periodically as of every July 1st and January 1st of each year of service under this Agreement and any related Project Assignments. In the event Contractor or any of its affiliates publicly files a Securities and Exchange Form ADV or Department of Labor Form 5500, Contractor shall share such filings with the Board on or around the time of each such filing. Finally, it is of paramount importance to the Board that Contractor and its affiliates other than MIO Partners Inc. (“MIO”)³ disclose to the Board any of their direct or indirect investments in Puerto Rico public debt instruments of any kind including such instruments issued by any Interested Party⁴ that is a Puerto Rico governmental instrumentality. While such investments may not always constitute a potential or actual conflict of interest, the Board requires such disclosure to ascertain whether or not such an investment by the Contractor or its affiliates (other than MIO) could represent a conflict of interest and/or require other action or remediation.

In addition to such disclosures, Contractor shall also make disclosures regarding any information barrier relating to MIO, that establish, to the satisfaction of the Board, that the employees of Contractor and its affiliates other than MIO do not have knowledge of,⁵ or control over, the investment activity of MIO. Upon the execution of this Agreement, Contractor will identify and provide to the Board a list of all of MIO’s direct connections to any Interested Party in the PROMESA proceedings based upon a search of (i) the names of MIO’s third-party managers; (ii) the names of third-party funds in which MIO-controlled vehicles have made investments; (iii) securities or other instrument-level investments made at the discretion of MIO; (iv) financial counterparties of MIO or MIO-controlled vehicles; and (v) the names of service

¹ For purposes of this Agreement, Material Affiliates shall constitute any affiliate of McKinsey that has lent a consultant to the Contractor’s Service Team. The Contractor’s Service Team is comprised of the consultants that directly provide the services for which the Board has retained Contractor. The search performed by Contractor in order to prepare the Contractor Conflict of Interest Certifications and related disclosures involves a search of (i) each client engagement where time was charged by a consulting professional belonging to Contractor or a Material Affiliate, (ii) each client engagement opened for which the project office (i.e., the project GOC code) is a part of Contractor or a Material Affiliate, and (iii) ordinary course vendor and banking relationships of Contractor or a Material Affiliate, in each case, for any matches with any Interested Party as defined below.

² The Certifications shall contain disclosures typically made by McKinsey pursuant to the Baker Protocol and additional information requested by the Board under this Agreement.

³ Disclosures relating to MIO shall be as indicated in the paragraph below.

⁴ Interested Party is defined as any entity appearing on the most updated version of Schedule A to this Agreement, as provided by the Board to Contractor.

⁵ Beyond publicly available information and the other types of information identified in the Final Investigative Report of the Special Counsel to the Financial Oversight and Management Board for Puerto Rico, *In re The Fin. Oversight & Mgmt. Board for Puerto Rico*, No. 17-03283 (LTS) (D.P.R. Feb. 18, 2019), Dkt. 5154.

providers/vendors to MIO. It is acknowledged that this search will not identify (i) security or instrument-level investments made by third-party managed funds in which MIO-controlled vehicles have made investments and over which MIO has no investment discretion; or (ii) security or instrument-level investments made by third-party managers retained by MIO to exercise sole investment discretion over a separately managed account inside of an MIO-controlled vehicle. For the purposes of this Agreement, the Board shall assume that such security or instrument-level holdings exist. In addition, in the event Contractor or any of its affiliates publicly files a Securities and Exchange Form ADV or Department of Labor Form 5500, Contractor shall identify for the Board, at or around the time of each such filing, any Interested Party identified in those filings, if such connection has not already been disclosed in connection with McKinsey's Contractor Conflict of Interest Certifications. Further, as of the effective date of the Agreement, Contractor represents that neither MIO nor any MIO-controlled vehicle holds an interest in Puerto Rico debt instruments of any kind that were obtained directly by MIO through the exercise of its own investment discretion, and that MIO currently maintains a policy (and will maintain a policy during the term of this Agreement) that prohibits MIO from exercising its investment discretion to obtain a direct interest in municipal debt instruments, which includes Puerto Rico debt instruments. Contractor further represents that, as of the effective date of the Agreement, MIO does not pursue as an investment strategy for any MIO-controlled vehicle making investments with third-party managers or third-party funds for the purpose of obtaining or increasing exposure specifically to Puerto Rico debt instruments. For the avoidance of doubt, MIO retains full discretion to make any investment it deems to be in the best interest of the funds and plans that it manages, subject to the foregoing policy.

7.2 During the Term of this Agreement. During the term of this Agreement, Contractor shall not (and shall cause its Material Affiliates and its direct and indirect subsidiaries not to) accept work from, enter into a contract with, or accept an obligation from any existing or future potential clients that may hold material claims or are otherwise participating in proceedings under PROMESA involving the Commonwealth of Puerto Rico or any of its covered instrumentalities, where such contract or obligation would be inconsistent or incompatible with Contractor's obligations or the scope of services rendered for the Board under this Agreement or any Project Assignment, and in no event shall Contractor's Service Team provide services for any such existing or future potential clients. Upon receipt of Contractor's periodic Contractor Conflict of Interest Certifications, the Board may request, and Contractor shall provide, information reasonably necessary to determine whether Contractor has any relationship that would be inconsistent or incompatible with Contractor's obligations or the scope of services rendered for the Board. Contractor shall not (and shall cause each of its Material Affiliates and its direct and indirect subsidiaries not to) take actions during the term of this Agreement or any Project Assignment that would constitute or could create the appearance of a conflict of interest with the Board's mission or the work performed by the Contractor for the Board. Contractor, on behalf of itself and its Material Affiliates and its direct and indirect subsidiaries, represents that Contractor's performance of all the terms of this Agreement and any accepted Project Assignment does not and will not breach any agreement or obligation of any kind made prior to the execution of this Agreement, including any noncompete agreement or any agreement to keep in confidence information acquired by Contractor in confidence or in trust. Contractor, on behalf of itself and its Material Affiliates and its direct and indirect subsidiaries, represents that none of them have entered into, and shall not enter into, any agreement either written or oral in conflict herewith. During the term of this Agreement and all related Project

Assignments, Contractor shall inform the Board, in a proactive manner and as soon as Contractor becomes aware of it, of any new or ongoing actual or potential conflict of interest or any appearance thereof that Contractor (or any of its Material Affiliates and its direct and indirect subsidiaries) encounters in the ordinary course of its work.

7.3 Indemnification. Contractor shall indemnify the Board from any and all loss or liability incurred by reason of the alleged breach by Contractor of any services agreement with any third party. Contractor, after the termination of this Agreement, shall not provide services on the matters on which Contractor was engaged to others having interests adverse to the Board's interests as described in 7.2 above.

7.4 Other. From time to time, the Board may request that the Contractor explain in detail what its conflict of interest policy and conflict mitigation procedures are and it shall be the responsibility of Contractor to explain in appropriate and relevant detail to the Board why something that may appear to be a conflict of interest is not an actual or potential conflict of interest or appearance of a conflict of interest. The Board will be the final arbiter of whether a particular set of facts presents a Contractor conflict of interest. Simultaneously with the certifications it makes under Sections 7.1 and 7.2 hereunder, Contractor shall furnish the Board with a list of its Material Affiliates with a brief description of each affiliation.

8. Compliance with Laws, Regulations, and Contractor Code of Conduct. While providing services for the Board, Contractor shall comply with all applicable laws, rules and regulations, as well as all applicable Board policies and rules, including without limitation the Board's Contractor Code of Conduct and its disclosure certification. A copy of the Contractor Code of Conduct and its Contractor Code of Conduct Disclosure Certification is attached as *Appendix A* hereto.

9. Term and Termination.

9.1 Term. Unless earlier terminated as provided in this Agreement or by mutual written agreement of the parties, this Agreement shall expire on June 30, 2022. The parties may renew the Agreement for an additional time period by mutual, written agreement prior to the expiration of the term.

9.2 Termination by Board. The Board may terminate this Agreement or any Project Assignment upon the earlier of (i) thirty (30) days written notice or (ii) Contractor's material breach of either Section 4 ("Nondisclosure") or section 10 ("Noninterference with Business") of this Agreement. Termination shall neither eliminate accrued amounts owing to Contractor nor any amounts owing to the Board due to Contractor's breach.

9.3 Termination by Contractor. Contractor may terminate this Agreement or any Project Assignment upon thirty (30) days written notice in the event of a material breach by the Board of this Agreement or any Project Assignment.

9.4 Survival. The rights and obligations contained in Sections 4 ("Non-Disclosure") of this Agreement and 10 ("Noninterference with Business") shall survive the termination or expiration of this Agreement regardless of the reason, and the assignment of this Agreement by the Board to any successor in interest or other assignee.

10. Noninterference with Business. During this Agreement, and for a period of two (2) years immediately following its termination, Contractor shall not interfere with the business or activities of the Board in any manner. By way of example and not of limitation, no member of Contractor's Service Team shall:

10.1 solicit, induce, encourage, or participate in soliciting, inducing, or encouraging any employee of the Board to terminate his or her relationship with the Board;

10.2 hire, or employ, or attempt to hire or employ any person employed by the Board or who has left the employment of the Board within the preceding six (6) months or discuss any potential employment or business association with such person, even if Contractor does not initiate the discussion or seek out the contact;

10.3 solicit, induce or attempt to induce any consultant or independent contractor with whom Contractor had direct or indirect contact or whose identity Contractor learned as a result of Contractor's engagement with the Board, to terminate, diminish, or materially alter in a manner harmful to the Board its relationship with the Board; or

10.4 for two years after the termination of this Agreement, represent or provide assistance pertaining directly to matters on which Contractor was engaged hereunder to any other entity or person having interests adverse to the Board's interests.

11. Successors and Assigns. Contractor may not subcontract or otherwise delegate its obligations under this Agreement without the prior written consent of the Executive Director of the Board. Subject to the foregoing, this Agreement will be for the benefit of the Board's successors and assigns and will be binding on Contractor's assignees. Notwithstanding the foregoing, nothing in this Agreement shall prevent Contractor from utilizing Contractor's employees to perform services under the Agreement or any Project Assignment.

12. Indemnification. Contractor shall indemnify and hold harmless the Board and its members, officers, directors and employees from (a) all taxes, penalties and interest the Board may be required to pay as a result of Contractor or any of Contractor's personnel being deemed an employee of the Board; (b) any other tax liability or payments related to or resulting from this Agreement or the services rendered by Contractor for the Board; (c) any claims, losses, actions (including attorney's fees) or liability resulting from or related to any negligent action taken or omitted by Contractor or any of its personnel. In no event will either party be liable to each other for any consequential, indirect, exemplary, special or incidental damages arising from or relating to this Agreement. Each party's total cumulative liability to the other party in connection with this Agreement, whether in contract or tort or otherwise, will not exceed the aggregate amount of three [3] times fees and expenses owed by the Board to Contractor for services performed under this Agreement.

13. Non-Disparagement. Contractor will not, during the term of the Agreement, and for two (2) years thereafter, disparage the Board, its members, officers, or employees. Contractor shall indemnify and hold the Board, its members, officers, directors, and shareholders harmless from and against any and all losses, claims, damages, or expenses, (including attorneys' and

experts' fees) arising from or growing out of any disparaging statement made by Contractor in violation of this Section 13.

14. Reasonableness of Restrictions.

14.1 Contractor has read this entire Agreement and understands it. Contractor acknowledges the restrictions contained in this Agreement are reasonable, proper, and necessitated by the Board's legitimate business interests.

14.2 In the event that a court finds this Agreement, or any of its restrictions, to be ambiguous, unenforceable, or invalid, Contractor and the Board agree that this Agreement will be automatically modified to provide the Board with the maximum protection of its business interests allowed by law and Contractor shall be bound by this Agreement as modified.

15. Legal and Equitable Remedies.

15.1 Contractor acknowledges it may be impossible to assess the damages caused by Contractor's violation of Sections 4 ("Non-Disclosure") and 10 ("Noninterference with Business") of this Agreement. Any threatened or actual violation of such Sections of this Agreement will constitute immediate and irreparable injury to the Board and the Board shall have the right to enforce those Sections of this Agreement by injunction, specific performance or other equitable relief, without bond and without prejudice to any other rights and remedies that the Board may have for a breach or threatened breach of those Sections or any other Section of this Agreement.

15.2 If the Board is successful in whole or in part in any legal or equitable action against Contractor under this Agreement, the Board shall be entitled to payment of all costs, including reasonable attorneys' fees, from Contractor.

15.3 In the event the Board enforces this Agreement through a court order, the restrictions of Section 10 shall remain in effect for a period of twelve (12) months from the effective date of the Order enforcing the Agreement.

16. Notices. Any notices required or permitted hereunder shall be given to the Board at its primary office location, at Contractor's address as listed below, or at such other address as the party shall specify in writing. Such notice shall be deemed given upon personal delivery to the appropriate address or three (3) days after the date of mailing if sent by certified or registered mail.

17. Governing Law; Consent to Personal Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by the laws of the Commonwealth of Puerto Rico independent of its choice of law principles. This Agreement is not a United States government contract or contract of the Commonwealth of Puerto Rico. Consequently, United States and Commonwealth contracting and contract protest laws do not apply to this Agreement. Any action against the Board shall be brought in accordance with PROMESA § 106. Contractor hereby expressly consents to the personal jurisdiction and venue of the federal court in Puerto Rico. The Board and Contractor each waive all rights to jury trial under Commonwealth of Puerto Rico law and federal law.

18. Severability. In case any one or more of the provisions, subsections, or sentences contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. The Board expects its contractors, consultants, and representatives to embrace this commitment to ethical and lawful behavior by complying with and training its employees on the Board’s Contractor Code of Conduct. The Board also expects its contractors to have their own codes of conduct that ensure ethical business conduct and practices.

I. Compliance with the Contractor Code of Conduct

All contractors, consultants, and representatives and their employees, agents, and subcontractors (collectively referred to as “Contractors”) must adhere to this Code of Conduct while conducting business with or on behalf of the Board. Contractors must promptly inform the Executive Director, the General Counsel, or a member of the Board when any situation develops that causes, or may cause, the Contractor to violate any provision of this Code of Conduct. Although Contractors are expected to self-monitor and demonstrate their compliance with this Code of Conduct, the Board may audit Contractors and/or inspect Contractors’ facilities and records to confirm compliance.

The Board may require the immediate removal from any project or engagement of any contractor representative(s) or personnel who behave in a manner that is unlawful or inconsistent with this Code of Conduct or any Board policy. Compliance with this Code of Conduct, as well as attendance at any training on this Code of Conduct as may be offered by the Board, is required in addition to any other contractual obligations a contractor may have to the Board.

II. Legal and Regulatory Compliance Practices

Contractors must conduct their business activities on behalf of the Board in full compliance with the letter and spirit of all applicable laws and regulations.

Contractors must not participate in bribes or kickbacks of any kind, whether in dealings with the Board, government and public officials, or individuals in the private sector. Contractors must also comply with all applicable anti-corruption and anti-money laundering laws, as well as laws governing gifts and payments to public officials, political campaign contribution and lobbying laws, and other related regulations. In particular, Contractors must not:

Furthermore, Contractors should not offer, and Board members, ex officio members, and employees must not accept, gifts or entertainment that might compromise, or appear to compromise, the Board member or employee's judgment or independence. Even a well-intentioned gift might constitute or be perceived to be a bribe under certain circumstances or create a conflict of interest or the appearance of a conflict of interest. Board employees are required to conduct all business and interactions with Contractors in strict compliance with the applicable provisions of the Board's business ethics and conflict of interest policies.

- Confidentiality, Privacy and Data Security. Contractors shall, at all times while they are engaged by the Board and thereafter, (i) hold all proprietary and confidential information of the Board in strictest confidence, (ii) not use or disclose for any purpose any proprietary and confidential information of the Board to any person, business or entity, except as specifically authorized in writing by the Board, and (iii) not disclose for any purpose any non-public information concerning their retention by the Board or their services for the Board, except as specifically authorized in writing by the Board. [FOMB EXPENSE REIMBURSEMENT]

Financial Oversight and Management Board for Puerto Rico

June 30, 2017

Expense Reimbursement Policy

1. Introduction

The Board of Members of the Financial Oversight and Management Board for Puerto Rico (“the Board”) recognizes that board members, officers, staff, and contractors* of the Board may be required to travel or incur in other expenses from time to time to conduct Board business.

The Reimbursed Expenses Policy (the “Policy”) is designed to govern the reimbursement of reasonable, defined expenses incurred on authorized Board activities. Consequently, all reimbursed expenses must be consistent with a business objective and carried out in a timely and cost-effective manner.

This Policy applies to board members, officers, staff, and contractors* who incur authorized and approved travel and other expense items in the context of the Board’s business. While exceptions are not normally permitted, there is clear recognition of certain special business needs. In any such exceptional situations, all board members, officers, staff, and contractors* are expected to apply a high degree of common sense and good judgment.

2. Purpose of the Policy

The purpose of this policy is to ensure that (a) adequate cost controls are in place, (b) travel and other expenditures are appropriate, and (c) to provide a uniform and consistent approach for the timely reimbursement of authorized expenses incurred by the Board. It is the policy of the Board to reimburse only reasonable and necessary expenses incurred by board members, officers, staff, and contractors.

3. Principles of the Policy

The Policy aims to provide a flexible framework for travel and other expenses based on the following principles:

- 3.1** This Policy applies to board members, officers, staff, and contractors* undertaking travel other expenses on Board business and for the purposes of this Policy, the term “staff” shall mean employees of the Board.

- 3.2 It is the responsibility of board members, officers, staff, and contractors* to ensure the selection of the most direct and economical travel options and that all expenses are attributable to a valid Board business purpose.
- 3.3 Board members, officers, staff, and contractors* shall be entitled to reimbursement of expenses on production of supporting vouchers and invoices meeting the requirements of an "Accountable Plan" provided under Regulation No. 8297 dated December 18, 2012 issued by the Puerto Rico Department of Treasury. No expense reimbursement will be allowed for amounts in excess of actual expenditures incurred. No expense reimbursement will be allowed for estimates of expenditures incurred. This includes coach-class airfare or train fare (or business class train fare if rates are comparable); and hotels and transportation (e.g. taxis).
- 3.4 It is the responsibility of the Board members, officers, staff, and contractors* to obtain travel authorization from the Chairman of the Board, the Executive Director or Authorized Representative prior to organizing or incurring any travel costs [See Appendix A for Authorization Authority]. Expense reimbursement is subject to having received prior authorization. Exceptions shall be made under the consideration of the Chairman, Executive Director or Authorized Representative.
- 3.5 The use of video and telephone conferencing instead of travel should always be considered to reduce travel expenses.

4. Travel Expenses

4.1 Air Travel

- 4.1.1 Costs for air travel will be reimbursed on an actual cost incurred basis.
- 4.1.2 For all flights, board members, officers, staff, and contractors* are required to travel in a cabin class no higher than premium economy class and, when possible, the cheapest fare in this class.
- 4.1.3 Flights should be booked to provide the best value/lowest cost and fit between cost and convenience. Board staff shall book flights through the Board's Executive Assistant. Board members may book flights through the Board's Executive Assistant or independently. Board contractors must book flights independently, though they are allowed to consult the Board's Executive Assistant on fares the board members, officers, and staff are using.
- 4.1.4 The Board will not reimburse costs incurred due to deviations from the most direct routes taken for personal travel reasons. In such cases, if the Board purchased the ticket, the traveler must reimburse the Board for any additional costs over and above the authorized travel.

- 4.1.5** Any alteration to original travel plans must be justified and approved in accordance with the Policy.

4.2 Train Travel

- 4.2.1** The Board may reimburse travelers for their economy train fares or business class train fares when those fares are comparable to the equivalent, economy class airfare on the same route.
- 4.2.2** Board staff shall book trains through the Board's Executive Assistant. Board Members may book trains through the Board's Executive Assistant or independently. Board contractors must book trains independently, though they are allowed to consult the Board's Executive Assistant on fares the board members, officers, and staff are using.

4.3 Hotels and Lodging

- 4.3.1** Accommodation costs may be reimbursed by the Board. Board members, officers, staff, and contractors should not exceed cost of accommodation per night published in the U.S. Government GSA Per Diem Rates (<https://www.gsa.gov/perdiem>), unless approved by the Chairman or his authorized representative.
- 4.3.2** Board staff shall book hotels through the Board's Executive Assistant. Board members may book hotels through the Board's Executive Assistant or independently. Board contractors must book hotels independently, though they are allowed to consult the Board's Executive Assistant on fares the Board members, officers, and staff are using.

4.4 Transportation

- 4.4.1** Transportation costs during trips associated to Board business will be reimbursed. Board members, officers, and staff* can expense the following transportation costs: 1) transportation to and from the airport / train station and 2) transportation to and from the meeting location. Transportation costs cover taxi services or equivalent (e.g. Uber, Lyft or any other transportation means).

4.5 Business Meals

- 4.5.1** When travelling to a location other than the Board members, officers, staff, and contractors'* local city, business meals are reimbursable based on the following limits:
- Breakfast: \$15; Lunch: \$25; Dinner: \$40
 - Snack expenses are reimbursable when they replace a meal.
- 4.5.2** If meals are provided during the meeting, only meals not provided can be expensed.

5. Other Expenses

5.1 Other expenses are reimbursable provided they are legitimate, necessary and reasonable expenses directly connected with or pertaining to the Board, such as office supplies, printing and reproduction, telephone calls, and messengers, among other.

6. Reimbursement of Expense

6.1 Travel arrangements are authorized in advance through the completion and approval of a travel authorization email and the validation of a travel plan between the traveler and the designated approver [See Appendix A].

6.2 Expenses are reimbursed through the completion, approval, and validation of expense report [See Appendix B] that the members, officers, and staff must submit to the designated approver [See Appendix C].

6.3 Expense claims should be submitted immediately following and, where possible, no more than 10 days after the completion of each trip, but at least a monthly.

6.4 In rare circumstances, and on an exceptional basis, reimbursement in excess of stated limits may be provided when lodging options are not available below. In such rare circumstances, the need for higher reimbursement shall be indicated on the attached reimbursement form and justified in writing by the members, officers, and staff. Reimbursement will be limited to the following:

- Lodging: average rate for available 3-star hotels listed for the applicable metropolitan area on Expedia;

The Chairman of the Board or his authorized representative will have sole discretion to approve or deny such expenditures.

6.5 Receipts are required for all expenditures billed, such as airfare and hotel charges. No expense in excess of \$25.00 will be reimbursed to Board members, officers, staff and contractors unless the individual requesting reimbursement submits with the Expense Report written itemized receipts from each contractor (not a credit card receipt or statement) showing the contractor's name, a description of the services provided (if not otherwise obvious), the date, and the total expenses. If a receipt is not available, a full explanation of the expense and the reason for the missing receipt is required.

6.6 Alcoholic beverages will not be reimbursed under any circumstance.

Consulting Agreement

INDEPENDENT CONTRACTOR SERVICES AGREEMENT
McKinsey & Company Puerto Rico Consulting, Inc.

Title III Support

EFFECTIVE DATE: July 1, 2021

THIS INDEPENDENT CONTRACTOR SERVICES AGREEMENT (the “**Agreement**”) is made by and between **THE FINANCIAL OVERSIGHT AND MANAGEMENT BOARD FOR PUERTO RICO** (the “**Board**”) created by the Puerto Rico Oversight, Management, and Economic Stability Act, 48 U.S.C. chapter 20 (“**PROMESA**”), and McKinsey & Company Puerto Rico Consulting, Inc. (the “**Contractor**”). The Board and Contractor hereby agree as follows:

1. Engagement of Services. The Board may offer Project Assignments to Contractor in the form attached to this Agreement as ***Exhibit A*** (“***Project Assignment***”). Subject to the terms of this Agreement, Contractor will render the services set forth in Project Assignment(s) accepted by Contractor by the completion dates set forth therein.

2. Compensation. The Board will pay or will authorize payment to Contractor the fees set forth in each Project Assignment for services rendered pursuant to this Agreement. Contractor is responsible for all reasonable expenses incurred in the performance of services under this Agreement. Contractor will be reimbursed only for expenses which are expressly provided for in a Project Assignment or which have been approved in advance in writing by the Board. Contractor must furnish all documentation for authorized expenses the Board reasonably requests. Payment of Contractor’s fees and expenses will be in accordance with terms and conditions set forth in the applicable Project Assignment. Upon termination of this Agreement for any reason, Contractor will be paid fees on the basis stated in the Project Assignment(s) for work which has been completed.

3. Independent Contractor Relationship.

3.1 Contractor’s relationship with the Board is that of an independent contractor, and nothing in this Agreement is intended to, or should be construed to create a partnership, agency, joint venture or employment relationship. Contractor is not authorized to make any representation, contract or commitment on behalf of the Board unless specifically requested or authorized in writing to do so by the Board.

3.2 Contractor shall be responsible for exercising independent discretion and judgment to achieve the results specified in this Agreement and in any Project Assignments, and no member, officer, agent or employee of the Board shall have the authority to direct Contractor as to the manner or means employed to achieve such results.

3.3 Contractor shall be responsible for providing all tools and equipment necessary to perform services under this Agreement and any Project Assignments. Contractor shall bear all expenses associated with the provision of services under this Agreement and in any Project Assignments, except as otherwise agreed to pursuant to Section 2 of this Agreement.

3.4 Contractor will not be entitled to any of the benefits that the Board may make available to its employees, including, but not limited to, group health or life insurance, or retirement benefits.

3.5 Contractor is solely responsible for, and will file, on a timely basis, all tax returns and payments required to be filed with, or made to, any applicable tax authority with respect to the performance of services and receipt of fees under this Agreement.

3.6 Contractor's compensation may be subject to withholding by the Board for the payment of any applicable income taxes. In no event will the Contractor be entitled to a gross up from the Board to cover any taxes or withholdings to which the Contractor may be subject. The Board will furnish Contractor with evidence of any tax withheld by the Board.

3.7 Any employees or agents of Contractor shall be the sole responsibility of Contractor, and shall not be employees or agents of, or paid by, the Board. Neither the Contractor nor its employees or agents are entitled to invoke against the Board any of the laws or protections that may apply to employees of the United States government or the Commonwealth of Puerto Rico. Contractor shall have full liability for the acts of its employees and agents. Contractor shall bear all expenses associated with the employment of such individuals, and assume sole responsibility for compliance with applicable laws, rules, regulations and orders regarding Contractor's employees.

3.8 Contractor is responsible for properly and thoroughly completing the Contractor Certification Requirements set forth in **Appendix C** hereto and for following the Board Expense Reimbursement Policy, guidelines and reporting requirements set forth in **Appendix D** hereto, as such Appendixes and forms may from time to time be amended.

4. Nondisclosure.

4.1 Recognition of Board's Rights; Nondisclosure. Contractor understands and acknowledges that the Board has a protectable interest in its Confidential Information (defined below). At all times during the term of this Agreement and thereafter, Contractor will hold in strictest confidence and will not disclose, use, lecture upon or publish any of the Board's Confidential Information, except as such disclosure, use or publication (i) may be required in connection with Contractor's services for the Board or (ii) may be required by law, regulation, or legal process provided that Contractor provides reasonable advance notice to the Board, or unless the Board expressly authorizes such in writing. Contractor will obtain the Board's written approval before publishing or submitting for publication any material (written, verbal, or otherwise) that relates to Contractor's services for the Board and/or incorporates any Confidential Information. Contractor hereby assigns to the Board any rights Contractor may have or acquire in such Confidential Information and recognizes that all Confidential Information

shall be the sole property of the Board and its assigns. Contractor will take all reasonable precautions to prevent the inadvertent or accidental disclosure of Confidential Information.

4.2 Confidential Information. The term “**Confidential Information**” shall mean any and all confidential and/or proprietary knowledge, data or information of or used by the Board, whether having existed, now existing, or to be developed during the term of this Agreement. By way of illustration but not limitation, “**Confidential Information**” includes (a) trade secrets, inventions, mask works, ideas, processes, formulas, source and object codes, data, programs, other works of authorship, know-how, improvements, discoveries, developments, designs and techniques and any other proprietary technology and all Proprietary Rights therein (hereinafter collectively referred to as “**Inventions**”); (b) information regarding research, analysis, development, business plans, budgets and unpublished financial statements, licenses, prices and costs, margins, credit terms, forecasts, future plans and potential strategies, financial projections and business strategies, operational plans, financing and capital-raising plans, activities and agreements, internal services and operational manuals, methods of conducting Board business, suppliers and supplier information, and purchasing; (c) information regarding any of the Board’s contractors, or representatives and their services, including names, representatives, proposals, bids, contracts and their contents and parties, the type and quantity of products and services received by the Board, and other non-public information relating to Board contractors, or representatives; and (d) information regarding personnel, employee lists, compensation, and employee skills. Notwithstanding the foregoing, it is understood that, at all such times, Contractor is free to use information which is generally known publicly or in the trade or industry through no breach of this Agreement or other act or omission by Contractor.

4.3 Third Party Information. Contractor understands, in addition, that the Board has received and in the future, will receive from third parties, including the Commonwealth of Puerto Rico, confidential and/or proprietary knowledge, data, or information (“**Third Party Information**”) subject to a duty on the Board’s part to maintain the confidentiality of such information and to use it only for certain limited purposes. During the term of this Agreement and thereafter, Contractor will hold any Third Party Information disclosed by the Board or obtained in connection with its work in the strictest confidence and will not disclose to anyone (other than Board members and personnel who need to know such information in connection with their work for the Board) or use, except in connection with Contractor’s services for the Board, Third Party Information unless expressly authorized by the Executive Director or a member of the Board in writing. Contractor shall comply with all applicable laws, rules, and regulations concerning confidentiality.

4.4 Term of Nondisclosure Restrictions. Contractor understands that Confidential Information and Third-Party Information is never to be used or disclosed by Contractor, as provided in this Section 4. If, however, a court decides that this Section 4 or any of its provisions is unenforceable for lack of reasonable temporal limitation and the Agreement or its restriction(s) cannot otherwise be enforced, Contractor and the Board agree that the two (2) year period after the termination of this Agreement shall be the temporal limitation relevant to the contested restriction, provided, however, that this sentence shall not apply to trade secrets protected without temporal limitation under applicable law.

4.5 No Improper Use of Information. During the term of this Agreement, Contractor will not improperly use or disclose any Confidential Information of any person or entity to whom Contractor has an obligation of confidentiality, and Contractor will not bring onto the premises of the Board any documents or any property belonging to any person or entity to whom Contractor has an obligation of confidentiality unless consented to in writing by that person or entity. During Contractor's engagement as an independent contractor performing services for the Board, Contractor may also have access to "Inside" or non-public information about one or more companies associated with the Board's work. Use of "Inside," Confidential Information or Third-Party Information in making any investment is absolutely prohibited, and Contractor represents and warrants that Contractor will comply with all applicable securities laws and regulations.

4.6 Disclosure of Contractor Materials; Publicity. The Board understands and acknowledges that Contractor's work for the Board is confidential and for the Board's internal use only; provided, however, that the Board may disclose such work to the extent such disclosure is necessary or desirable to carry out the Board's statutory duties or in response to a legal proceeding. Except as provided in the preceding sentence, the Board agrees that it will not disclose Contractor's name in relation to any disclosure of work hereunder without Contractor's consent. Contractor will not disclose the Deliverables to any third parties without the Board's prior written permission or as may be required by law, regulation, or legal process. Contractor further agrees not to use the Board's name in any communication with any third party without the Board's prior written permission, including in press releases or other public announcements. If the Board receives a public records request for Deliverables or other documents containing Contractor information, the Board will allow Contractor the ability to review the documents prior to disclosure to advise if the documents contain information subject to any exception or exemption to the relevant public records laws.

5. Records. To the extent that Contractor is required to develop, review and/or analyze Confidential Information or Third-Party Information, Contractor further shall store and maintain all Confidential Information in a secure place. Such material shall at all times remain the exclusive property of the Board and/or the applicable third party, unless otherwise agreed to in writing by a Board member or the Board's Executive Director.

6. Return of Board Property. On the earlier of termination of this Agreement or a request by the Board's Executive Director, Contractor shall return to the Board all the Board property which Contractor obtained from the Board or created in the course of any Project Assignment (except that Contractor may keep one copy of all such materials it has prepared), including any Confidential Information and Third-Party Information. Contractor acknowledges that all such property shall at all times remain the exclusive property of the Board, unless otherwise agreed to in writing by a Board member or the Board's Executive Director.

7. No Conflict of Interest.

7.1 Upon Signing of Agreement and Semi-Annually Thereafter. At the execution of this Agreement, Contractor, on behalf of itself, its Material Affiliates¹ and its direct and indirect subsidiaries shall make the Contractor Conflict of Interest Certifications set forth in Appendix B hereto² and shall thereafter make similar Contractor Conflict of Interest Certifications periodically as of every July 1st and January 1st of each year of service under this Agreement and any related Project Assignments. In the event Contractor or any of its affiliates publicly files a Securities and Exchange Form ADV or Department of Labor Form 5500, Contractor shall share such filings with the Board on or around the time of each such filing. Finally, it is of paramount importance to the Board that Contractor and its affiliates other than MIO Partners Inc. (“MIO”)³ disclose to the Board any of their direct or indirect investments in Puerto Rico public debt instruments of any kind including such instruments issued by any Interested Party⁴ that is a Puerto Rico governmental instrumentality. While such investments may not always constitute a potential or actual conflict of interest, the Board requires such disclosure to ascertain whether or not such an investment by the Contractor or its affiliates (other than MIO) could represent a conflict of interest and/or require other action or remediation.

In addition to such disclosures, Contractor shall also make disclosures regarding any information barrier relating to MIO, that establish, to the satisfaction of the Board, that the employees of Contractor and its affiliates other than MIO do not have knowledge of,⁵ or control over, the investment activity of MIO. Upon the execution of this Agreement, Contractor will identify and provide to the Board a list of all of MIO’s direct connections to any Interested Party in the PROMESA proceedings based upon a search of (i) the names of MIO’s third-party managers; (ii) the names of third-party funds in which MIO-controlled vehicles have made investments; (iii) securities or other instrument-level investments made at the discretion of MIO; (iv) financial counterparties of MIO or MIO-controlled vehicles; and (v) the names of service

¹ For purposes of this Agreement, Material Affiliates shall constitute any affiliate of McKinsey that has lent a consultant to the Contractor’s Service Team. The Contractor’s Service Team is comprised of the consultants that directly provide the services for which the Board has retained Contractor. The search performed by Contractor in order to prepare the Contractor Conflict of Interest Certifications and related disclosures involves a search of (i) each client engagement where time was charged by a consulting professional belonging to Contractor or a Material Affiliate, (ii) each client engagement opened for which the project office (i.e., the project GOC code) is a part of Contractor or a Material Affiliate, and (iii) ordinary course vendor and banking relationships of Contractor or a Material Affiliate, in each case, for any matches with any Interested Party as defined below.

² The Certifications shall contain disclosures typically made by McKinsey pursuant to the Baker Protocol and additional information requested by the Board under this Agreement.

³ Disclosures relating to MIO shall be as indicated in the paragraph below.

⁴ Interested Party is defined as any entity appearing on the most updated version of Schedule A to this Agreement, as provided by the Board to Contractor.

⁵ Beyond publicly available information and the other types of information identified in the Final Investigative Report of the Special Counsel to the Financial Oversight and Management Board for Puerto Rico, *In re The Fin. Oversight & Mgmt. Board for Puerto Rico*, No. 17-03283 (LTS) (D.P.R. Feb. 18, 2019), Dkt. 5154.

providers/vendors to MIO. It is acknowledged that this search will not identify (i) security or instrument-level investments made by third-party managed funds in which MIO-controlled vehicles have made investments and over which MIO has no investment discretion; or (ii) security or instrument-level investments made by third-party managers retained by MIO to exercise sole investment discretion over a separately managed account inside of an MIO-controlled vehicle. For the purposes of this Agreement, the Board shall assume that such security or instrument-level holdings exist. In addition, in the event Contractor or any of its affiliates publicly files a Securities and Exchange Form ADV or Department of Labor Form 5500, Contractor shall identify for the Board, at or around the time of each such filing, any Interested Party identified in those filings, if such connection has not already been disclosed in connection with McKinsey's Contractor Conflict of Interest Certifications. Further, as of the effective date of the Agreement, Contractor represents that neither MIO nor any MIO-controlled vehicle holds an interest in Puerto Rico debt instruments of any kind that were obtained directly by MIO through the exercise of its own investment discretion, and that MIO currently maintains a policy (and will maintain a policy during the term of this Agreement) that prohibits MIO from exercising its investment discretion to obtain a direct interest in municipal debt instruments, which includes Puerto Rico debt instruments. Contractor further represents that, as of the effective date of the Agreement, MIO does not pursue as an investment strategy for any MIO-controlled vehicle making investments with third-party managers or third-party funds for the purpose of obtaining or increasing exposure specifically to Puerto Rico debt instruments. For the avoidance of doubt, MIO retains full discretion to make any investment it deems to be in the best interest of the funds and plans that it manages, subject to the foregoing policy.

7.2 During the Term of this Agreement. During the term of this Agreement, Contractor shall not (and shall cause its Material Affiliates and its direct and indirect subsidiaries not to) accept work from, enter into a contract with, or accept an obligation from any existing or future potential clients that may hold material claims or are otherwise participating in proceedings under PROMESA involving the Commonwealth of Puerto Rico or any of its covered instrumentalities, where such contract or obligation would be inconsistent or incompatible with Contractor's obligations or the scope of services rendered for the Board under this Agreement or any Project Assignment, and in no event shall Contractor's Service Team provide services for any such existing or future potential clients. Upon receipt of Contractor's periodic Contractor Conflict of Interest Certifications, the Board may request, and Contractor shall provide, information reasonably necessary to determine whether Contractor has any relationship that would be inconsistent or incompatible with Contractor's obligations or the scope of services rendered for the Board. Contractor shall not (and shall cause each of its Material Affiliates and its direct and indirect subsidiaries not to) take actions during the term of this Agreement or any Project Assignment that would constitute or could create the appearance of a conflict of interest with the Board's mission or the work performed by the Contractor for the Board. Contractor, on behalf of itself and its Material Affiliates and its direct and indirect subsidiaries, represents that Contractor's performance of all the terms of this Agreement and any accepted Project Assignment does not and will not breach any agreement or obligation of any kind made prior to the execution of this Agreement, including any noncompete agreement or any agreement to keep in confidence information acquired by Contractor in confidence or in trust. Contractor, on behalf of itself and its Material Affiliates and its direct and indirect subsidiaries, represents that none of them have entered into, and shall not enter into, any agreement either written or oral in conflict herewith. During the term of this Agreement and all related Project

Assignments, Contractor shall inform the Board, in a proactive manner and as soon as Contractor becomes aware of it, of any new or ongoing actual or potential conflict of interest or any appearance thereof that Contractor (or any of its Material Affiliates and its direct and indirect subsidiaries) encounters in the ordinary course of its work.

7.3 Indemnification. Contractor shall indemnify the Board from any and all loss or liability incurred by reason of the alleged breach by Contractor of any services agreement with any third party. Contractor, after the termination of this Agreement, shall not provide services on the matters on which Contractor was engaged to others having interests adverse to the Board's interests as described in 7.2 above.

7.4 Other. From time to time, the Board may request that the Contractor explain in detail what its conflict of interest policy and conflict mitigation procedures are and it shall be the responsibility of Contractor to explain in appropriate and relevant detail to the Board why something that may appear to be a conflict of interest is not an actual or potential conflict of interest or appearance of a conflict of interest. The Board will be the final arbiter of whether a particular set of facts presents a Contractor conflict of interest. Simultaneously with the certifications it makes under Sections 7.1 and 7.2 hereunder, Contractor shall furnish the Board with a list of its Material Affiliates with a brief description of each affiliation.

8. Compliance with Laws, Regulations, and Contractor Code of Conduct. While providing services for the Board, Contractor shall comply with all applicable laws, rules and regulations, as well as all applicable Board policies and rules, including without limitation the Board's Contractor Code of Conduct and its disclosure certification. A copy of the Contractor Code of Conduct and its Contractor Code of Conduct Disclosure Certification is attached as *Appendix A* hereto.

9. Term and Termination.

9.1 Term. Unless earlier terminated as provided in this Agreement or by mutual written agreement of the parties, this Agreement shall expire on June 30, 2022. The parties may renew the Agreement for an additional time period by mutual, written agreement prior to the expiration of the term.

9.2 Termination by Board. The Board may terminate this Agreement or any Project Assignment upon the earlier of (i) thirty (30) days written notice or (ii) Contractor's material breach of either Section 4 ("Nondisclosure") or section 10 ("Noninterference with Business") of this Agreement. Termination shall neither eliminate accrued amounts owing to Contractor nor any amounts owing to the Board due to Contractor's breach.

9.3 Termination by Contractor. Contractor may terminate this Agreement or any Project Assignment upon thirty (30) days written notice in the event of a material breach by the Board of this Agreement or any Project Assignment.

9.4 Survival. The rights and obligations contained in Sections 4 ("Non-Disclosure") of this Agreement and 10 ("Noninterference with Business") shall survive the termination or expiration of this Agreement regardless of the reason, and the assignment of this Agreement by the Board to any successor in interest or other assignee.

10. Noninterference with Business. During this Agreement, and for a period of two (2) years immediately following its termination, Contractor shall not interfere with the business or activities of the Board in any manner. By way of example and not of limitation, no member of Contractor's Service Team shall:

10.1 solicit, induce, encourage, or participate in soliciting, inducing, or encouraging any employee of the Board to terminate his or her relationship with the Board;

10.2 hire, or employ, or attempt to hire or employ any person employed by the Board or who has left the employment of the Board within the preceding six (6) months or discuss any potential employment or business association with such person, even if Contractor does not initiate the discussion or seek out the contact;

10.3 solicit, induce or attempt to induce any consultant or independent contractor with whom Contractor had direct or indirect contact or whose identity Contractor learned as a result of Contractor's engagement with the Board, to terminate, diminish, or materially alter in a manner harmful to the Board its relationship with the Board; or

10.4 for two years after the termination of this Agreement, represent or provide assistance pertaining directly to matters on which Contractor was engaged hereunder to any other entity or person having interests adverse to the Board's interests.

11. Successors and Assigns. Contractor may not subcontract or otherwise delegate its obligations under this Agreement without the prior written consent of the Executive Director of the Board. Subject to the foregoing, this Agreement will be for the benefit of the Board's successors and assigns and will be binding on Contractor's assignees. Notwithstanding the foregoing, nothing in this Agreement shall prevent Contractor from utilizing Contractor's employees to perform services under the Agreement or any Project Assignment.

12. Indemnification. Contractor shall indemnify and hold harmless the Board and its members, officers, directors and employees from (a) all taxes, penalties and interest the Board may be required to pay as a result of Contractor or any of Contractor's personnel being deemed an employee of the Board; (b) any other tax liability or payments related to or resulting from this Agreement or the services rendered by Contractor for the Board; (c) any claims, losses, actions (including attorney's fees) or liability resulting from or related to any negligent action taken or omitted by Contractor or any of its personnel. In no event will either party be liable to each other for any consequential, indirect, exemplary, special or incidental damages arising from or relating to this Agreement. Each party's total cumulative liability to the other party in connection with this Agreement, whether in contract or tort or otherwise, will not exceed the aggregate amount of three [3] times fees and expenses owed by the Board to Contractor for services performed under this Agreement.

13. Non-Disparagement. Contractor will not, during the term of the Agreement, and for two (2) years thereafter, disparage the Board, its members, officers, or employees. Contractor shall indemnify and hold the Board, its members, officers, directors, and shareholders harmless from and against any and all losses, claims, damages, or expenses, (including attorneys' and

experts' fees) arising from or growing out of any disparaging statement made by Contractor in violation of this Section 13.

14. Reasonableness of Restrictions.

14.1 Contractor has read this entire Agreement and understands it. Contractor acknowledges the restrictions contained in this Agreement are reasonable, proper, and necessitated by the Board's legitimate business interests.

14.2 In the event that a court finds this Agreement, or any of its restrictions, to be ambiguous, unenforceable, or invalid, Contractor and the Board agree that this Agreement will be automatically modified to provide the Board with the maximum protection of its business interests allowed by law and Contractor shall be bound by this Agreement as modified.

15. Legal and Equitable Remedies.

15.1 Contractor acknowledges it may be impossible to assess the damages caused by Contractor's violation of Sections 4 ("Non-Disclosure") and 10 ("Noninterference with Business") of this Agreement. Any threatened or actual violation of such Sections of this Agreement will constitute immediate and irreparable injury to the Board and the Board shall have the right to enforce those Sections of this Agreement by injunction, specific performance or other equitable relief, without bond and without prejudice to any other rights and remedies that the Board may have for a breach or threatened breach of those Sections or any other Section of this Agreement.

15.2 If the Board is successful in whole or in part in any legal or equitable action against Contractor under this Agreement, the Board shall be entitled to payment of all costs, including reasonable attorneys' fees, from Contractor.

15.3 In the event the Board enforces this Agreement through a court order, the restrictions of Section 10 shall remain in effect for a period of twelve (12) months from the effective date of the Order enforcing the Agreement.

16. Notices. Any notices required or permitted hereunder shall be given to the Board at its primary office location, at Contractor's address as listed below, or at such other address as the party shall specify in writing. Such notice shall be deemed given upon personal delivery to the appropriate address or three (3) days after the date of mailing if sent by certified or registered mail.

17. Governing Law; Consent to Personal Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by the laws of the Commonwealth of Puerto Rico independent of its choice of law principles. This Agreement is not a United States government contract or contract of the Commonwealth of Puerto Rico. Consequently, United States and Commonwealth contracting and contract protest laws do not apply to this Agreement. Any action against the Board shall be brought in accordance with PROMESA § 106. Contractor hereby expressly consents to the personal jurisdiction and venue of the federal court in Puerto Rico. The Board and Contractor each waive all rights to jury trial under Commonwealth of Puerto Rico law and federal law.

18. Severability. In case any one or more of the provisions, subsections, or sentences contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. Moreover, if any one or more of the provisions contained in this Agreement shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject, it shall be construed by limiting and reducing it, so as to be enforceable to the extent compatible with the applicable law as it shall then appear.

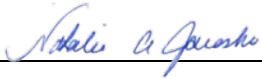

19. Waiver. No waiver by the Board of any breach of this Agreement shall be a waiver of any preceding or succeeding breach. No waiver by the Board of any right under this Agreement shall be construed as a waiver of any other right. The Board shall not be required to give notice to enforce strict adherence to all terms of this Agreement. Nothing herein waives any exemption from liability or other rights of the Board under PROMESA.

20. Entire Agreement. This Agreement is the final, complete and exclusive agreement of the parties with respect to the subject matter hereof and supersedes and merges all prior discussions between the parties. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, will be effective unless in writing and signed by the party to be charged.

The Board expects its contractors, consultants, and representatives to embrace this commitment to ethical and lawful behavior by complying with and training its employees on the Board’s Contractor Code of Conduct. The Board also expects its contractors to have their own codes of conduct that ensure ethical business conduct and practices.

Even a well-intentioned gift might constitute or be perceived to be a bribe under certain circumstances or create a conflict of interest or the appearance of a conflict of interest. [FOMB EXPENSE REIMBURSEMENT]

Financial Oversight and Management Board for Puerto Rico

June 30, 2017

Expense Reimbursement Policy

1. Introduction

The Board of Members of the Financial Oversight and Management Board for Puerto Rico (“the Board”) recognizes that board members, officers, staff, and contractors* of the Board may be required to travel or incur in other expenses from time to time to conduct Board business.

The Reimbursed Expenses Policy (the “Policy”) is designed to govern the reimbursement of reasonable, defined expenses incurred on authorized Board activities. Consequently, all reimbursed expenses must be consistent with a business objective and carried out in a timely and cost-effective manner.

This Policy applies to board members, officers, staff, and contractors* who incur authorized and approved travel and other expense items in the context of the Board’s business. While exceptions are not normally permitted, there is clear recognition of certain special business needs. In any such exceptional situations, all board members, officers, staff, and contractors* are expected to apply a high degree of common sense and good judgment.

2. Purpose of the Policy

The purpose of this policy is to ensure that (a) adequate cost controls are in place, (b) travel and other expenditures are appropriate, and (c) to provide a uniform and consistent approach for the timely reimbursement of authorized expenses incurred by the Board. It is the policy of the Board to reimburse only reasonable and necessary expenses incurred by board members, officers, staff, and contractors.

3. Principles of the Policy

The Policy aims to provide a flexible framework for travel and other expenses based on the following principles:

- 3.1** This Policy applies to board members, officers, staff, and contractors* undertaking travel other expenses on Board business and for the purposes of this Policy, the term “staff” shall mean employees of the Board.

- 3.2 It is the responsibility of board members, officers, staff, and contractors* to ensure the selection of the most direct and economical travel options and that all expenses are attributable to a valid Board business purpose.
- 3.3 Board members, officers, staff, and contractors* shall be entitled to reimbursement of expenses on production of supporting vouchers and invoices meeting the requirements of an “Accountable Plan” provided under Regulation No. 8297 dated December 18, 2012 issued by the Puerto Rico Department of Treasury. No expense reimbursement will be allowed for amounts in excess of actual expenditures incurred. No expense reimbursement will be allowed for estimates of expenditures incurred. This includes coach-class airfare or train fare (or business class train fare if rates are comparable); and hotels and transportation (e.g. taxis).
- 3.4 It is the responsibility of the Board members, officers, staff, and contractors* to obtain travel authorization from the Chairman of the Board, the Executive Director or Authorized Representative prior to organizing or incurring any travel costs [See Appendix A for Authorization Authority]. Expense reimbursement is subject to having received prior authorization. Exceptions shall be made under the consideration of the Chairman, Executive Director or Authorized Representative.
- 3.5 The use of video and telephone conferencing instead of travel should always be considered to reduce travel expenses.

4. Travel Expenses

4.1 Air Travel

- 4.1.1 Costs for air travel will be reimbursed on an actual cost incurred basis.
- 4.1.2 For all flights, board members, officers, staff, and contractors* are required to travel in a cabin class no higher than premium economy class and, when possible, the cheapest fare in this class.
- 4.1.3 Flights should be booked to provide the best value/lowest cost and fit between cost and convenience. Board staff shall book flights through the Board’s Executive Assistant. Board members may book flights through the Board’s Executive Assistant or independently. Board contractors must book flights independently, though they are allowed to consult the Board’s Executive Assistant on fares the board members, officers, and staff are using.
- 4.1.4 The Board will not reimburse costs incurred due to deviations from the most direct routes taken for personal travel reasons. In such cases, if the Board purchased the ticket, the traveler must reimburse the Board for any additional costs over and above the authorized travel.

- 4.1.5** Any alteration to original travel plans must be justified and approved in accordance with the Policy.

4.2 Train Travel

- 4.2.1** The Board may reimburse travelers for their economy train fares or business class train fares when those fares are comparable to the equivalent, economy class airfare on the same route.
- 4.2.2** Board staff shall book trains through the Board's Executive Assistant. Board Members may book trains through the Board's Executive Assistant or independently. Board contractors must book trains independently, though they are allowed to consult the Board's Executive Assistant on fares the board members, officers, and staff are using.

4.3 Hotels and Lodging

- 4.3.1** Accommodation costs may be reimbursed by the Board. Board members, officers, staff, and contractors should not exceed cost of accommodation per night published in the U.S. Government GSA Per Diem Rates (<https://www.gsa.gov/perdiem>), unless approved by the Chairman or his authorized representative.
- 4.3.2** Board staff shall book hotels through the Board's Executive Assistant. Board members may book hotels through the Board's Executive Assistant or independently. Board contractors must book hotels independently, though they are allowed to consult the Board's Executive Assistant on fares the Board members, officers, and staff are using.

4.4 Transportation

- 4.4.1** Transportation costs during trips associated to Board business will be reimbursed. Board members, officers, and staff* can expense the following transportation costs: 1) transportation to and from the airport / train station and 2) transportation to and from the meeting location. Transportation costs cover taxi services or equivalent (e.g. Uber, Lyft or any other transportation means).

4.5 Business Meals

- 4.5.1** When travelling to a location other than the Board members, officers, staff, and contractors'* local city, business meals are reimbursable based on the following limits:
- Breakfast: \$15; Lunch: \$25; Dinner: \$40
 - Snack expenses are reimbursable when they replace a meal.
- 4.5.2** If meals are provided during the meeting, only meals not provided can be expensed.

5. Other Expenses

5.1 Other expenses are reimbursable provided they are legitimate, necessary and reasonable expenses directly connected with or pertaining to the Board, such as office supplies, printing and reproduction, telephone calls, and messengers, among other.

6. Reimbursement of Expense

6.1 Travel arrangements are authorized in advance through the completion and approval of a travel authorization email and the validation of a travel plan between the traveler and the designated approver [See Appendix A].

6.2 Expenses are reimbursed through the completion, approval, and validation of expense report [See Appendix B] that the members, officers, and staff must submit to the designated approver [See Appendix C].

6.3 Expense claims should be submitted immediately following and, where possible, no more than 10 days after the completion of each trip, but at least a monthly.

6.4 In rare circumstances, and on an exceptional basis, reimbursement in excess of stated limits may be provided when lodging options are not available below. In such rare circumstances, the need for higher reimbursement shall be indicated on the attached reimbursement form and justified in writing by the members, officers, and staff. Reimbursement will be limited to the following:

- Lodging: average rate for available 3-star hotels listed for the applicable metropolitan area on Expedia;

The Chairman of the Board or his authorized representative will have sole discretion to approve or deny such expenditures.

6.5 Receipts are required for all expenditures billed, such as airfare and hotel charges. No expense in excess of \$25.00 will be reimbursed to Board members, officers, staff and contractors unless the individual requesting reimbursement submits with the Expense Report written itemized receipts from each contractor (not a credit card receipt or statement) showing the contractor's name, a description of the services provided (if not otherwise obvious), the date, and the total expenses. If a receipt is not available, a full explanation of the expense and the reason for the missing receipt is required.

6.6 Alcoholic beverages will not be reimbursed under any circumstance.

Title III Support for Commonwealth

March 2022 (first half)

Summary of Work

McKinsey Puerto Rico supported the Financial Oversight and Management Board (FOMB) with matters related to the Fiscal Plan, including leading Fiscal Plan modeling and integration as well as providing targeted expertise in key Fiscal Plan domains.

McKinsey Puerto Rico's work on the Fiscal Plan focused on finalizing and validating the split model (separating the Fiscal Plan model into an expenditure model, to be handed over to another FOMB advisor team, and a macro/revenue-side model used for overall surplus calculation), as well as on identifying and prioritizing potential model updates to simplify and overall continuously improve the model. McKinsey also supported FOMB and co-advisors with the audit of FY2019 financial statements and reconciliation with the Fiscal Plan.

During the first half of March, McKinsey Puerto Rico also provided targeted expertise in key Fiscal Plan domains. This included reviewing potential effects of pending national and local legislation, including House Bill 827 and the Omnibus Bill, as well as analyzing the potential impact of the MCO contract Amendment S on Medicaid for FY2022 and FY2023 and conducting trend analysis on FY2021 and FY2022 year-to-date disbursements of Disaster Relief Funds.
